EDUCATION

Guru Nanak Dev Engineering College   India
Bachelor of Technology in Information Technology   *2022 – 2026*
- CGPA: 7.5

Devgun Senior Secondary School   India
Senior Secondary (12th Grade)   *2022*
- Percentage: 88%

EXPERIENCE

Full Stack Web Development Intern   Present
Auribises Private Limited   *Remote*
- Working on full-stack web applications using modern technologies like Next.js, React, and Node.js
- Developing scalable backend APIs and integrating databases for real-world use cases
- Collaborating with senior developers to implement features and improve application performance
- Following best practices for clean code, version control, and deployment workflows

PROJECTS

College Event Management Portal | *Next.js, Prisma, PostgreSQL, SQL*
- Built a full-stack college event management system with workspace-based event creation
- Implemented authentication, team registration, and role-based access for admins and students
- Designed structured database schemas using Prisma ORM with PostgreSQL
- Enabled real-time event participation tracking and streamlined event workflows

Slack Clone Application | *Next.js, Convex, Real-Time Systems*
- Developed a modern Slack-like collaboration platform with real-time messaging
- Implemented channels, workspace-based architecture, and user authentication
- Used Convex backend for real-time data synchronization and scalable messaging
- Focused on clean UI, performance optimization, and real-time user experience

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, MongoDB
Frameworks: Next.js, React.js, Node.js, Express.js, Angular, Prisma
Developer Tools: Git, Docker, Jenkins
Databases: PostgreSQL, MongoDB
